Short biography

ONE SPANISH GUITAR. THREE SOULS. YOUR EVENT.

Live flamenco, chill out and blues for hotels, weddings, terraces and private events in Benidorm and on the Costa Blanca.

Picture a rooftop in Benidorm, the sun sinking into the Mediterranean and a Spanish guitar playing live. **That's how your event could sound.**

I'm Kike Argandona, guitarist and composer. In two minutes I'll tell you who I am, which formats I offer and what it sounds like.

01

Who I am, in one minute

More than two decades on the Spanish music scene and four years honing my craft in the United Kingdom. My signature is the **Spanish guitar**: flamenco, chill out and blues woven together, with iconic film themes and timeless hits reimagined my way.

My influences: Paco de Lucía, Vicente Amigo and Moraíto in flamenco; B.B. King and Clapton in blues. And from my years playing electric guitar and rock, I've kept the energy in every strum.

When the guitar takes flight: emotion, imagination and soul in every note.
